

Is it FAIR to all concerned?
Will it build GOOD WILL
and BETTER FRIENDSHIPS?
Will it be BENEFICIAL to
all concerned?

Thank You very much for allowing
me to go to LLC. I enjoyed
every minute and learned so
much from their activities and
speakers. I still wish I had
more time with those wonder-ful
people.

Thank you again?

Dear Bruce and members
of Factory,

I want to thank
you from the bottom of
my heart for investing
in my daughter, Tracy, to
attend the recent life
leadership camp in Tuskin.

I have a "quiet" leader
(when she's not at home)
who—as most teenagers do—
listens better to others than
she does to me. Tracy
was a little uncertain at
first but really

thank
you

believing she "belonged" in
this kind of setting or
experience. She came
home, however, more
confident and positive
in her leadership stance.
The changes were subtle
but definitely present—
AND she had a great time!

I am grateful she was
given this experience.
It was perfect for where
she is at in her life's.
